

Check-In/Check-Out

Check-In: 4:00 pm. We know you are excited to begin your vacation, but please allow our cleaners time to have everything cleaned and ready for you. For their safety and yours, please do not enter the unit earlier than 4:00pm. If the condo is ready before 4:00pm check-in, we will reach out to you via text.

Check-Out: 10:00 am. No one wants their vacation to end, but please respect the check-out time.

Parking

Due to the size of our parking lot, there is parking for only 1 car. No campers, trailers, golf carts, boats, or motorcycles are allowed on the property. Upon receipt of your final payment in full, you will be issued 1 parking pass. This pass MUST be displayed correctly in the front window of your vehicle to avoid towing by our HOA. If your vehicle is towed, it is your responsibility physically and financially to retrieve your vehicle.

Groups/House Parties

We rent to families and responsible adults only. Our minimum check-in age is 25. We do not rent to house parties and/or groups including, but not limited to graduation parties, spring break, or other non-family groups to be determined at our sole discretion. Any violation will result in termination of rental agreement without refund.

No Pets Per HOA Rules

Please refer to your contract for any further details
